Bharti Infratel to be included in FTSE Global Equity Indices

New Delhi, January 3, 2013: Bharti Infratel, a leading provider of passive telecom infrastructure in India, today said that it will be included in the FTSE Global Equity Indices starting January 7, 2013. This follows the Company’s successful Initial Public Offering of 188,900,000 equity shares and its listing on the National Stock Exchange and Bombay Stock Exchange in India.

Bharti Infratel will be added to FTSE All-World Index (Large Cap) with a investability weighting of 9% and will also be added to FTSE All-Emerging Index.

FTSE’s flagship global benchmark, the FTSE All-World, is used by investors worldwide to structure and benchmark their international equity portfolios. The FTSE global equity universe covers over 7,400 securities in 47 different countries and captures 98% of the world’s investable market capitalisation.

FTSE, which is a part of the London Stock Exchange Group, is a world-leader in the provision of global index and analytical solutions. FTSE indices are used extensively by a range of investors such as consultants, asset owners, fund managers, investment banks, stock exchanges and brokers.
