About Bharti Infratel Limited

Bharti Infratel is India’s leading provider of passive telecom infrastructure and it builds, deploys, owns, operates and manages telecom towers and communication structures, for various mobile operators. The Company’s consolidated portfolio of over 94,000 telecom towers, which includes over 41,000 of its own towers and the balance from its 42% equity interest in Indus Towers, making it one of the largest passive telecom infrastructure providers in the country with presence in all 22 telecom circles. Bharti Infratel’s and Indus’ three largest customers are Bharti Airtel (together with Bharti Hexacom), Vodafone Idea Limited and Reliance Jio Infocomm Limited, which are leading wireless telecommunications service providers in India by wireless revenue. The Company has been the industry pioneer in adopting green energy initiatives for its operations. For further details visit, [www.bharti-infratel.com](http://www.bharti-infratel.com)
